Texas Selective Service 618 In Black As Schwartz Balances October Books

A total of 3,796 Texans entered the armed forces in October, according to Selective Service and armed services reports, and 3,178 were reported as separated at the same time.

Of the 3,796 Texans entering the services, 562 were drafted, Lieutenant Colonel Morris S. Schwartz, state director of Selective Service said Thursday The remaining 3,234 entered by volunteer means.

A majority of those drafted went into the Army. Of the 3,234 volunteering, 638 went into the Army, 885 into the Navy, 265 into the Marines, 1,430 into the Air Force, and 16 into the Coast Guard.

Of the 3,178 returning to civilian life, 1,414 were separated from the Army, 652 from the Navy, 215 from the Marine Corps, 885 from the Air Force, and 12 from the Coast Guard.

Selective Service Examited only 17 men during October, nine of whom were accepted as fit, eight being turned down as unfit. Under provisions of the doctor's draft law, 20 physicians and dentists were examined during October, with 14 being found acceptable and six unacceptable.

One physician was commissioned in the armed forces after receiving an order to report for induction in October.

Northbound So. Pac. Hits Oil Transport At Highway Crossing

At 1:25 p.m. Saturday Nov. 19, a tandem trailer loaded with cotton seed oil bound for Houston was hit by a northbound Southern Pacific train as it crossed highway 36.

Driver for the Robertson's Transport Company of Houston said that he did not see or hear the train whistle until he was right on the track sped up sufficiently to clear the track with all of his wheels but the train caught the rear of the trailer and knocked the four rear wheels out from under the vehicle.

Alvin Broughman, driver of the transport was unhurt as he drove his truck into the curb. The truck did not turn over.

Conductor of the Southern Pacific Train No. 158 was G. J. Jackson of 320 N. 30th. in Waco and the Engineer was J. C. Darwin also of Waco.

Sheriff Black who investigated the accident reported that there was slight damage done to the train engine and that it would be sent to Houston for repair. The trailer was unloaded by another truck.

J. Earl Rudder, State Land Commissioner, is pictured here as he ate his sumptuous turkey dinner at the Veteran's Day Dinner at Simon-George Memorial Hall along with Past Commander of Hardy Post 9, Mayor O. B. Horstmann.

Rudder later spoke to the assembly of Gold Star Relatives the honored guests, Legionnaires and friends of the American Legion. He touched on Americanism in Government and tied his remarks specifically with his office of Land Commissioner. Praising the revised statute dealing with the Veteran Land Program.

First Heart O'Texas Council Honor Court Award Goes To Cameron Scout

The Bel-Mi-Rose Division of the Heart O'Texas Council Boy Scouts of America held their 2nd Annual Fellowship Dinner, recently, at the Cameron Grove Baptist Church Educational Center in Cameron.

The two main features of this annual meeting included the presentation of a Certificate of merit from the National Court of Honor, Boy Scouts of America for Life saving to Houston Hardeman Jr., by Harvey L. Price, Scout Executive of the Heart O'Texas Council. Houston Hardeman is a member of Explorer Post 313, sponsored by the O. J. Thomas High School of Cameron, Texas. This award is the first ever made in the Heart O'Texas Council.

The other highlight was an inspirational talk given by Rev. L. F. Hardee, pastor of the First Baptist Church in Waco. in which he pointed out the need for increased parent interest in scouting.

Other items on the program were presentation of the 3 year training award to H. R. Jackson. Explorer Advisor of Post 322 in Temple, Round-up award to Pack 313, Cameron and Pack 335, at Temple; National Camping awards to Troop 311 Belton; Troop 314, Rockdale and Troop 332, at Temple and the Attendance award to Troop 327 of Branchville.

Cost to the Explorer is twenty-five cents.

Griffin's Park is located 5 miles east of Lott. Come to the Lott School and follow the signs, for this first Tejas District Explorer event.

30 TP&L Officials Here On Annual Tour

Officials and supervisory personnel of Texas Power & Light Company visited Cameron Tuesday November 22 during the Company's annual inspection tour of TP&L properties and operations.

TP&L District Manager H. M. Siebman welcomed the group of some 30 persons.

The personnel are traveling by bus through the Southern and Western sections of the Company service area. The Eastern and Northern sectors were visited in October.

The traveling group included TP&L President W. W. Lynch; Vice Presidents Lee E. Cook, Chas. W. Wooldridge, Ted B. Ferguson, E. P. Speer, L. A. Byron, Young; Geo R Marrs, secretary and treasurer; and Chief Engineer T D. Thomas.

Four Re-enlist In National Guard

Battery C, 649th Anti-aircraft Artillery Battalion, the local National Guard unit, reported that four of its non-coms re-enlisted recently in the organization after completing their three year terms of service.

The four, it said, were Sergeant First Class Louis W. Hollas, Sergeant Donald W. Culp, Sergeant Bennie R. Juergens and Corporal James B. Richardson. Juergens re-enlisted when his term expired late last month the others re-upped this week during the Tuesday evening drill period.

Sgts. Hollas and Culp are assigned to the Battery's Gun Section as squad leaders; Sgt. Juergens and Cpt. Richardson are assigned to the Mess Section.

Three of the Guardsmen - Hollas, Culp and Richardson - are employed by Alcoa in Rockdale; Juergens is engaged in farming near Cameron.

First Baptist WMU In Charge of Prayer Meeting On Nov. 30

Twenty-seven ladies of the First Baptist WMU were taken on an imaginary trip Monday morning November 21, by Mrs. Earl Moseley, a representative of Circle No. II.

The ladies answered an invitation to visit and attend a reception at the Foreign Mission Board headquarters at 2037 Monument Ave., Rickmond, Virginia. They met such ladies as Mrs. L. L. Howard Jenkins, the Board's First Lady (her husband being the President); Miss Edna Frances Dawkins, assistant secretary of personnel; Mrs. Baker J. Cauthen, wife of the present executive secretary and many others.

Mrs. Drayton McLane, the president announced that next week November 28, through December 2, would be Foreign Missions week of Prayer in the Southern Baptist convention. The theme for the week will be "Haste - Pray and Make Known." The local WMU will meet each morning at 9:30 except Wednesday when they will meet and have charge of the evening Prayer service.

Child Victims Of Auto Mishap Moved To Dallas

Sharon Hoffman, 11, who sustained a broken leg in a collision near Cameron recently which took the life of her mother was removed from St. Edwards Hospital to Parkland Hospital in Dallas Friday morning along with her little sister Rosa,9, who was "Covered with bruises."

Mrs. Norma Fay Hoffman, mother of the two was killed almost instantly when the family car, driven by her husband, entered highway 36 from the FM Hanover road allegedly without stopping for the intersection and as a result ploughing into a maize filled trailer.

Mr. Hoffman, a painter who with his family lived in Rockdale, worked at Heaney. The family had been visiting friends who live on the Hanover road.

Lack Of Preparation Main Cause Of Driver License Failures Here

Ten out of thirteen failed drivers license examinations Monday, in Cameron.

Lack of preparation is the main factor causing disqualification states drivers license examiner-patrolman C. B. James.

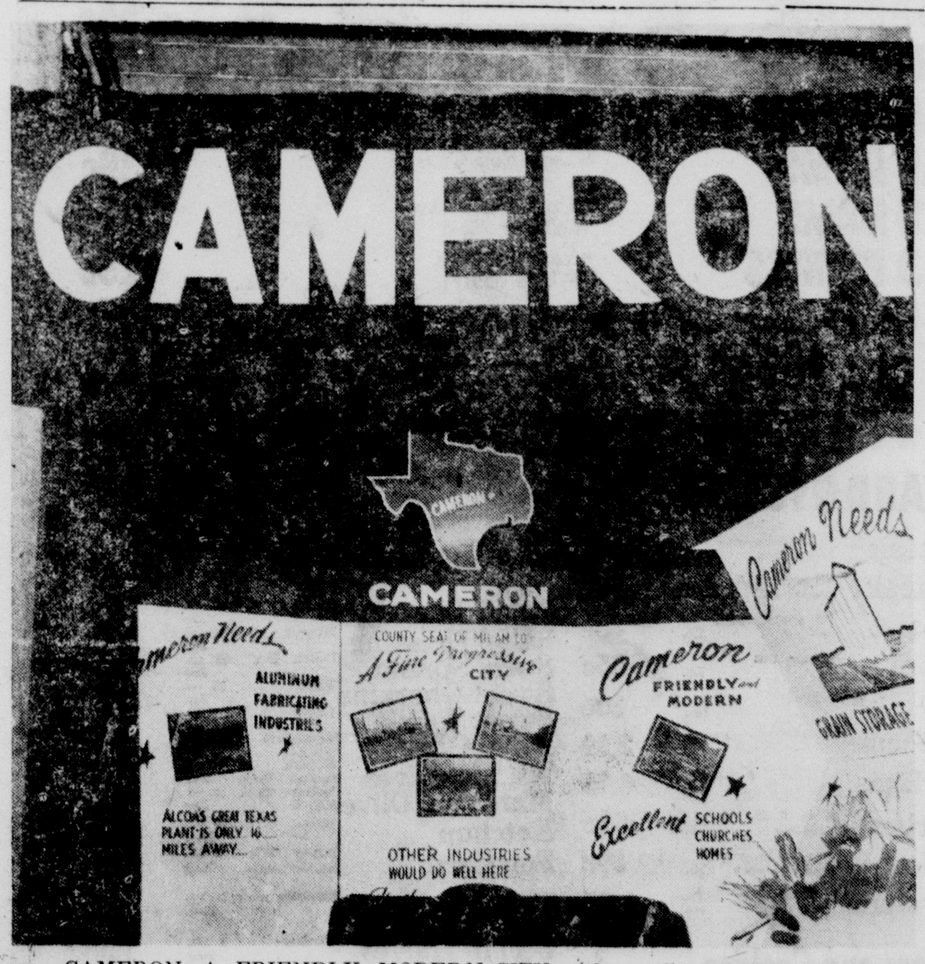
Four failed the road signs test while 6 failed the road rules test James said.

Two of the three licenses issued today were for practicing with licensed operator in front seat, having disqualified themselves on the actual outside driving demonstration part of the examination.

Three of the applicants Monday previously held out of state drivers license.

Examinations are given in Cameron at 9 a.m. each Monday.

Captain R. L. Castleberry, commanding officer of the San Antonio district of the driver's license division visited Cameron Monday to interview a driver whose drivers record is being reviewed for possible suspension action, but the driver who was to be interviewed failed to put in his appearance.



CAMERON, A FRIENDLY, MODERN CITY with excellent schools, churches and homes was thus portrayed before attendants at the Heart O' Texas Fair at Waco.

A committee headed by Lester Williams was responsible for the booth which boosted Cameron at that fair.

CAMERON NEEDS Aluminum fabricating industries the display points out on the left side of the blackboard on the other side the need for GRAIN STORAGE is noted.

The Cameron Chamber of Commerce in backing this advertising enterprise is laying the groundwork for a "Come To Cameron" campaign which, in the future, might be referred to more phonetically as "They CAME TO CAMERON."

36 By-Pass Is No Hoax Says Chamber Board Member

Resident Engineer Says Highway Will Either Go Through Or Around City.

At a Chamber of Commerce board of directors meeting Friday at noon E. A. Perrin reported, as a member of the better roads committee of the chamber, that he was noting a "Spurt in acquiring right of way" on the Highway 36 right of way acquisition. He was reporting on activity within the city.

The request for right of way on the county portion of the road from junction to Milano is 18 months old, Perrin said and told of a contact with Judge Smith wherein the County Judge sought cooperation of the Cameron Chamber's better roads committee. This contact was quite some time ago. Following that first request of the Judge "We asked for a list of the people who needed contacting and then waited about two weeks and found no list was forthcoming we asked the Judge about furnishing the list but Judge Smith reported that he had been too busy and that it would have to wait a while longer—we are still waiting" Perrin reported.

NO HOAX

In order to squelch rumors that by-passing of Cameron was a hoax and not based on fact Perrin contacted the Resident Engineer Joe Hanover at Hearne. Hanover reportedly said that the agreement with the city still stands and only in the event that the right of way is not furnished within the time of that agreement will any by-pasing move be undertaken.

Hanover assured Perrin that the road will be built and if by-pass Cameron we must that is what we will do.

Lester Williams reported on the activity of the Chamber Committee on Advertising the city. The principle part of the report dealt with the Cameron participation in the Waco Heart O' Texas Fair. A picture of the booth manned by Cameron people was displayed before the members and a copy of it is reprinted in this paper. He declared that members of his committee felt that the monies expended on the Cameron publicity at the fair was well spent and that it will pay dividends in the attention given to the city by future industrial inquirers who saw the exhibit.

President Bill Burns read a letter from the Marlin Industrial Committee in which it was told that $80,000 was subscribed and a non profit state charter was obtained for the organization.

One industry has been obtained for a total cost to the Marlin subscribers of $23,000 which now has a WEEKLY PAYROLL 16 to 20 THOUSAND DOLLARS. The obvious point then made by Burns was "Was it worth it?"

In the Marlin set-up no monies are banked by the committee. The money is collected from the pledges and after necessary expenditures are consummated the remaining portion of the money is returned to the subscriber on a pro-rata basis according to his pledge or amount paid into the industrial fund.

Cameron's Community chest, as it looks at this time, will finish up about $1,100 short of the $5,600 goal. $4,200 are in hand and $361 in pledges are still out but expected to come in soon.

Farewell Bade To '55 Football As Yoe Band Plays "Farewell To Thee"

"Tonight is farewell to football for 1955" read the announcer, Jimmy Asher, on the public address system at the Rosebud vs. Cameron game Friday night. The Yoe Band formed a mamoth 55 and played "Farewell to Thee."

The Rosebud band later moved at first into a formation of a violin and bow and as the bow sawed back and forgh the salute to the visitors "Autumn Leves" was played.

The remainder of the Rosebud halftime activity was taken in Miss Carolyn Stock, who was escorted onto the field by Harold Placek and Buddy Albert.

Another intricate maneuver of the Yoe Band was the forming of three circles, one inside the other and as the band executed some square dance steps played "The Band Played On." (Circles were preferred as there are no squares in the band).

"Smear It Up." was played as a large Trombone was formed and the "Suction pump" slid back and forth. Next a pistol was formed which did not mean war but simply meant that the lively old tale of "Frankie and Johnny" was being reenacted to that familiar old tune. Then a company front formation was assumed as the band marched from the field.

The Yoemen played a fine defensive game during the night in an on and off fashion and as the evening ended a preview of things to come was enacted by the little freshman Jesse Kirk tossing completed passes to find the ball on the Rosebud 12 yard line as the game ended. Rosebud 6; Cameron 0.

Rogers Collision Envolves Two From Cameron

George David Bryan, 20, and Charles Edmondson, 22, both of Cameron were injured about 6:30 p.m. Saturday in a head-on collision a mile east of Rogers on Highway 190 colliding with a car driven by Durrell D. Ward of Rogers.

Bryan, of Star Route, Cameron and Edmondson of 607 N. Houston in Cameron were driving east at dusk and the driver, Bryan sought to pass an auto, seeing no car approaching when the lights of the other car came on and both cars headed for the ditch, according to a report from Bryan's mother, Mrs. David Bryan, and collided head-on.

The two young men were taken to St. Edward's hospital for treatment and observation. Monday morning, following ex-rays hospital attendants believed that Bryan might soon be released but that Edmondson's injury was of such a nature that he was expected to be retained longer than his friend.

Ward, driver of the other car, and an owner of the Veteran's Liquor Store near Rogers was taken to a Temple hospital and treated for cuts and bruises according to highway patrolmen from that city.

The Nature of a Cough

Coughing can save your life. Yet too much of it, at the wrong time, may cause serious, even permanent harm.

Scientists have learned that coughing, normally, serves an important purpose. It helps remove material that obstructs or irritates our breathing passages. If we couldn't cough, we would always be in danger of choking to death. This is a real peril in patients weakened by severe illness.

On the other hand, persistent coughing can also be dangerous. A recent report in the New England Journal of Medicine noted:

"Functionally, cough itself can initiate bronchial irritation, thus beginning a cycle that may become progressively more severe."

Medical literature, the report states, is "replete with references to cases in which cough has directly or indirectly resulted in death." The most common consequences are loss of sleep, chest pains and similar annoying but not dangerous effects.

The causes of coughing are many in number. In some cases, a cough may signal the onset of a grave disease such as tuberculosis. But most coughs are transient and not of a serious nature.

Particularly common at this time of year is the cough associated with the common cold. To relieve it and the other symptoms that frequently accompany this ailment, scientists have devised potent multi-action drugs.

A new cough syrup called Bristalin combines five therapeutic agents to bring prompt relief to common cold sufferers. The key ingredient is a potent antihistamine which helps relieve stuffiness of the nose and, at the same time, exerts a local anesthetic action on the throat to reduce the spasms of coughing.

Other components, including ammonium chloride, sodium citrate and fluid extract of ipecac, act as expectorants and tend to liquefy the tenacious mucus secretions in the nose and throat that interfere with breathing. Another agent, menthol, has a cooling effect on irritated throat membranes.

Unfortunately, no drug has yet been devised to cure the common cold. But the combined actions of a drug such as Bristalin bring effective relief to cold sufferers and help to prevent complications that could arise from excessive coughing.

Honors Won by Texas 4-H'ers

FOUR Texas 4-H Club members have won all-expense trips to the 34th National 4-H Club Congress in Chicago, Nov. 27-Dec. 1, for their outstanding records in the 1955 National 4-H Clothing, Food Preparation, Garden, and Home Improvement programs.

Texas' 1955 4-H Clothing champion is Regina Ann Cato of Vernon. The 18-year-old 4-H'er has made 134 garments in her club career. She will be the guest of Coats & Clark Inc. at the Club Congress.

Regina made a wide variety of apparel, ranging from aprons to a lined wool suit. She makes all of her own clothes and made dresses for her mother and grandmother. Besides silk and cotton dresses, she has made and lined a wool suit, corduroy jacket, blouses and hat.

Regina served as clothing demonstrator and play leader for her club. This year she attended the State 4-H Roundup as a county delegate and helped with the dress revue where she did the narration. Her leaders are Mrs. Willis Cato and Mrs. C. A. Schmaker.

Carol Ansley, of Fort Worth, has won state honors in the 1955 4-H Home Improvement program. The Sears-Roebuck Foundation is providing her trip to the Club Congress in recognition of the work done in making the interior of her home more comfortable and attractive.

In carrying out the project, the 16-year-old 4-H'er helped paint all the rooms in their house. All colors in the interior of the house were selected by Carol. She papered the kitchen and bathroom, and refinished kitchen furniture. She helped cover a chair and worked out a practical arrangement for her dresser drawers.

She is a member of the County Wide 4-H Club of Tarrant county led by Mr. and Mrs. William Watt.

Regina Ann Cato

J. Toepperwein

Joanne Toepperwein, 17, of San Antonio, a 4-H'er for five years, has been named the state 4-H Food Preparation winner. Kelvinator will be her host at the National 4-H Club Congress.

Joanne has cooked and served over 2,900 meals and has helped with 261 others and planned almost 1,100.

Joanne has been a Jr. Leader under Mrs. R. L. Cook, has been president of the Northside Senior Club and has served on county committees. She has given 10 food preparation demonstrations, and cooks for a family of nine.

She is a member of the Girl Scouts, F.H.A. and other school organizations.

Carol Ansley

Bob Bates

Bob Bates, 18, of Wichita Falls, has been awarded state honors in the 4-H Garden program. His all-expense trip to the Club Congress is made possible by the Allis-Chalmers Mfg. Co.

In his nine years of 4-H, Bob planted 6½ acres in garden. He learned soil conservation, rotation of crops, irrigation and entomology so that he could cope with the elements and insects.

He has given demonstrations showing how to plant and select the best quality vegetables for the table and food preservation. Bob is a member of the City View, Zundy Junior High and Senior High School 4-H clubs led by O. T. Freeman and G. A. Reeves.

All these programs are conducted under the direction of the Cooperative Extension Service.

Dwight Allen Jekel Honored At Sixth Birthday Party

Dwight Alan Jekel son of Mr. and Mrs. Conrad Jekel Jr. celebrated his sixth birthday Friday November 4th at the home of his parents, at 205 East 17th.

After games, Mrs. Jekel assisted by Mrs. Melvin Dorner, Mrs. Smith Barrett, Mrs. Lavet McKinney served cake and red soda pop to the youngsters.

Since Dwight's birthday is on Veterans Day, November 11, a color scheme of red, white and blue was carried out. The birthday cake was iced white with Happy Birthday in red, white and blue. Blue and white candle holders held the blue candles.

Those attending to help Dwight celebrate the happy occasion were George and James Pool, James Swanzy, Mach Hugh, Jackie McKinney, Linda Sheppard, David Edwards, Glen and Ronny Bollinger, David Barrett, Jenny Lee and Jamie Corley, Betty Jo and Janice Marak, Vicky Hannon, Evelyn Wholeb, Janet Jekel, Ronny Gelner, Kathy and Rusty Cryer, Bobby and Frankie Dorner, Ronnie Prokisch, Jane Burns, Gary Angell, Johnnie Fuller, Barbara Jackson, Michael Boedeker, Linda and Jean Vogelsang, Peggy Keelies, Homer Scott, Kathryn Kohutek, Bobby Lynn Novatny, Emil Jr. and Susan Marie Macalik of Ennis; cousins of the honoree.

Also present were mesdames Lovert McKinney, Smith Barrett, Roman Marak, Roy Wohleb, James Cryer, Melvin Dorner, Archie Prokisch, Edwin Kohutek, Wm. Keeles, and Ladis Novatny. Emil Macalik of Ennis and the honoree's grandmother, Mrs. Conrad Jekel Sr. of Cameron.

Dwight received many lovely gifts.

Coffee was served to the guests and Mrs. Gus Quebe of McGregor Mrs. O. A. White, Mrs. Mary Green, Mrs. George Childress, Mrs. James Watson, Mrs. Theo Fuchs, Mrs. Tom Allen, Mrs. Franklin Dusek, Mrs. E. A. Cruz and twelve club members.

All Saints Teen Agers Hold Cold Hay Ride; Roast

Twenty youngsters and their guests of the All Saints Episcopal used a hay filled truck belonging to G. A. McDermott Saturday evening Nov. 19 for a hayride.

The hayride and weiner roast sponsored by the Teen age class of the church and their chaperones went to Wilson Ledbetter Park where they had their weiner and the trimmings.

Chaperones for the occasion were Mr. and Mrs. W. C. "Billy" Black and Martha Black; Reverend Harlan Irvin; Jerry Stuth and Miss Susan Rosson.

Following the weiner roast the group rode out the Salem Farm to Market road just for the thrill of the ride in the hay filled truck. All were thought to be having a grand time (judging by the noise) when Jimmy Markham a guest, knocked on the cab of the truck and asked "May I get in the cab? I am deathly sick—I'm freezing to death." The ride was called on account of the temperature. At last report Markham was alive and doing nicely. All others survived.

Eight Out Of Ten Americans Favor U. N. Participation

Support of the United Nations is costing this country more than $120 million annually, according to information released today in a Public Affairs Bulletin issued by the East Texas Chamber of Commerce.

According to the publication, distributed monthly by the chamber's Public Affairs Dept. to all members of the regional chamber the U. S. pays one-third of the total cost of United Nations operations. This is the maximum amount allowed by the U. N. charter.

The bulletin also includes a resume of the structure and operations of the U. N. and reviews its objectives as well as its major weaknesses.

NOT THIS "CHESTY"

When we see the results of our own breeding and the "brass tacks" proof of R.O.P. records, we get a little "chesty" about the high value (at low cost) of "Ideal" strain cross, large type White Leghorns. A year's experience with "Ideal" Leghorns will put you in a boastful mood about the wonderful production of your own pullets. We've got the proof of production at the hatchery. May we talk it over with you soon?

Enthusiasm Key To Alive Church Bishop Declares

Recently elevated to Bishop of the Diocese of Texas Rev. John Hines spoke of and with enthusiasm, at a family night covered dish supper at All Saints Episcopal Church in Cameron Thursday night.

Enthusiasm can be both secular and religious, the first being bound by time and the latter is timeless, the speaker declared.

An example of secular enthusiasm was the immortal words "I just had too much of Alabama in me" spoken by Tommy Lewis, who endeavored to explain why he came bounding off the bench and onto the playing field to become the twelfth man on the field and stop an opponent from making a touchdown against his beloved alma mater a few years ago. When Episcopalians get that sort of religious enthusiasm the Bishop averred, the traditions of the Episcopal church will not soon be lost. The derivation of the word is from en and Thaos or "In God" That is the real meaning of religious enthusiasm "In God", he said. The ease with which traddtions may be lost was pointed out in an example of men who sought and found a marble shaft which marked the spot where Columbus set foot on American soil. The natives did not know of the existence of the shaft until, with scythe in hand, the weeds which enshrouded the marker were cut away by the searchers.

Closing his message to the Mission family the Bishop told of the Wise man who was reputed to have all the answers. Two youngsters, trying to frustrate the legend to the oldsters wisdom caught a small bird and holding it in the palm of one of their hands they asked the old gentleman whether the bird was alive or dead. Perceiving their trickery and knowing full well that the bird could be killed with a slightest crush of the hand holding it and knowing full well that was what was intended if he should answer that the bird was alive he sagaciously answered "It is as you will." The inference was then left with the parishoners that the future of their church is as they will.

On December 12, all men of the parish will again be considered vestrymen and as such they will have an "Armadillo stew" supper and elect officers. The meeting will be at the parish house.

Sunday November 20 was designated as "Loyalty Sunday."

Put your money on the winning team!

THEY'RE a good bet, these people so wrapped up in the World Series this month. They're the people you see at work and on the bus every day. They're you.

For one thing, they're hard workers. They set production records on their farms and in their factories that were never dreamed possible. Their teamwork has produced more good things and more leisure time for us than your grandfather ever dreamed of. Even though they relax now and then to enjoy a ball game.

These are the people you're putting your money on every time you invest in a U. S. Savings Bond—the 165 million Americans like yourself who stand behind those Bonds.

They're the reasons why Savings Bonds are the safest, most sensible investment you can make . . . why *you* should make Savings Bonds the heart of your personal savings program.

Besides being safe, U. S. Savings Bonds pay good interest. When held to maturity (9 years and 8 months) each Series E Bond pays an average of 3% per year, compounded semiannually. And now, with the automatic extension privilege it will go on paying that same fine interest for 10 more years. *That means a return of up to $1.80 for every $1.00 you invest.*

If you want to save for the future—and you believe in the people on this team—start investing in Savings Bonds regularly. You can do it through the convenient Payroll Savings Plan where you work, or by purchasing them directly from your bank. Either way, you'll be putting your money on the winning team.

SAFE AS AMERICA — U.S. SAVINGS BONDS

Safe as America— Buy U. S. Savings Bonds

Want your interest paid as current income? Invest in 3% Series H.

United States Government Series H Bonds are new current income Bonds in denominations of $500 to $10,000. Redeemable at par after 6 months and on one month's written notice, they mature in 9 years, 8 months and pay an average of 3% per annum if held to maturity. Interest is paid semiannually by United States Treasury check. Series H Bonds may be purchased through any bank. Annual limit: $20,000.

Luncheon was served at the hospital mess hall and a tour of the hospital was conducted by the commandant.

Use of TB Seals Cuts Remedial Cost In Texas

Calling attention to 3,704 new cases of tuberculosis reported in the state last year, Governor Allan Shivers recently warned Texans that tuberculosis is a communicable disease which can invade any home at any time.

Modern methods of treatment, Governor Shivers said, have steadily reduced the death toll from tuberculosis. He pointed out, however, that in 1954 the disease claimed the lives of 910 persons in Texas and its economic cost remains a heavy burden to the taxpayers.

In an official memorandum dated November 14, the governor designated the period November 16 — December 24 as Christmas Seal Days in Texas and urged every citizen to buy and use the Christmas Seals to help end the economic loss and personal tragedy caused by tuberculosis.

The 49th annual Christmas Seal Sale which supports the work of the Texas Tuberculosis Association and its affiliated county organizations opened November 16.

42 Club Elects Mrs. Charles Payne To Succeed Herself

Mrs. Charles Payne was re-elected to head the 42 Leisure Club in the home of Mrs. Henry McLane Wednesday night November 16. Serving with Mrs. Payne for the next year are Mrs. Richard Hollas, vice president, Mrs. W. M. Balhorn, secretary, Mrs. A. K. Gurecky, treasurer and Mrs. Leo Laake reporter.

After a short business session presided over by the president. Mrs. Payne games of 42 were played.

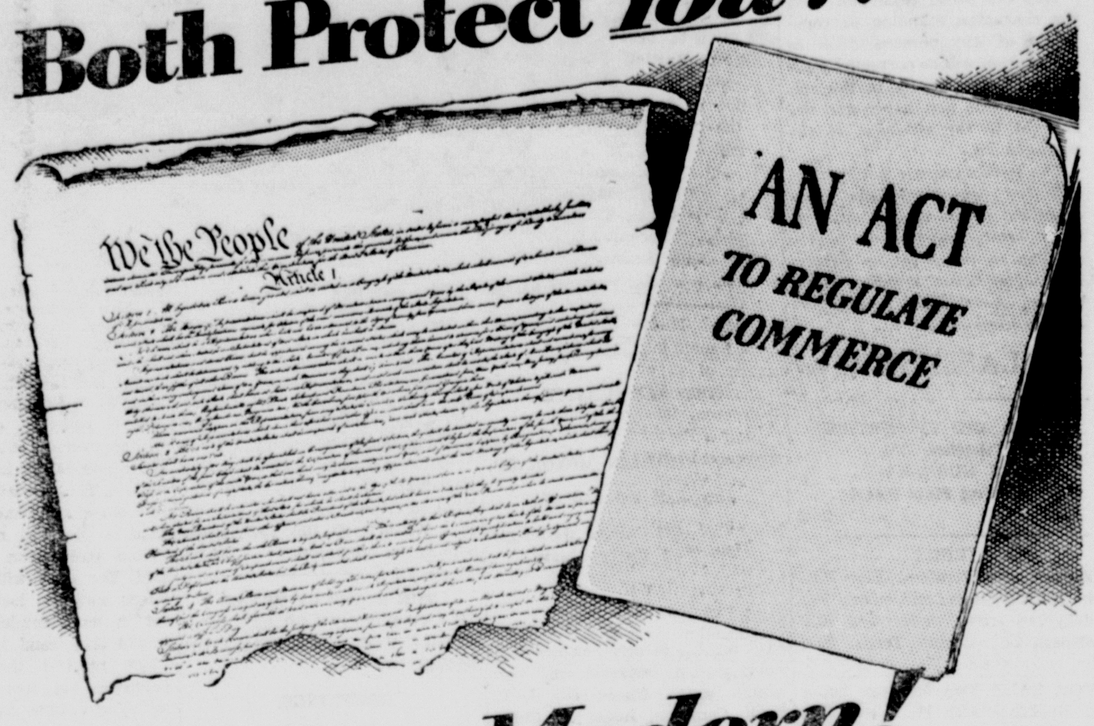
Mrs. Jim Crouch and Mrs. Leo Stecker tied for high score with Mrs. John Matyastik winning the 84 honors.

Guests were Mrs. Jim Crouch and Mrs. Charles Worcester. The hostess assisted by her daughter Mrs. Verna Mae Vick in serving pumpkin pie topped with whipped cream and coffee.

The next party will be at the home of Mrs. Leo Laake on December 1.

Railroads are vigorously promoting a so-called "Cabinet Committee plan" to restrict public controls over transportation rate-making—returning such power to railroad hands.

Both Protect You . . .



Both Are Modern!

Your rights and privileges as an American citizen are protected by the Constitution, a unique and magnificent document whose principles are as sound today as when written, over 150 years ago.

Through the years, amendments have been added to keep the Constitution up-to-date.

The same is true of the regulatory powers of the Interstate Commerce Commission. Congress has enacted more than 150 amendments to the Interstate Commerce Act since it was passed in 1887, completely overhauling it twice.

In principle, present ICC regulations governing the various transportation systems are pertinent, constructive, and *modern* in concept. Under these principles, we have developed the greatest competitive transportation system in the world!

Are you satisfied with what you've kept for yourself? If not, here's an excellent way to do something about it.

Go to your company pay office tomorrow and sign up for the convenient Payroll Savings Plan. Just tell the people there how much you want to save each pay period—it can be as little as a couple of dollars a week. Then they'll put that money aside *for* you.

As soon as enough money accumulates, they purchase a U. S. Savings Bond and pass it on to you. And if you hang on to those Bonds, they'll not only represent money saved, they'll earn *extra* money for you.

When held to maturity (9 years and 8 months) each Series E Bond pays an average of 3% per year, compounded semiannually. And now, with the automatic extension privilege it will go on paying that same fine interest for 10 more years.

More than eight million working people just like yourself are using the Payroll Savings Plan to provide for *their* futures. It will work for you, too. Sign up now.

Want your interest paid as current income? Invest in 3% Series H.

U. S. Series H Bonds are new current income Bonds in denominations of $500 to $10,000. Redeemable at par after 6 months and on one month's written notice. Mature in 9 years, 8 months and pay an average 3% per annum if held to maturity. Interest paid semiannually by Treasury check. Available through any bank. Annual limit: $20,000.

CONGRESS YEARS ... ...

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River discusses politics this week without making much headway.

Dear editar:

It's not my job to advise the politicians, the way I see it, there's too much advice in the pecially farm advice, but it seems to me the politicians are starting in to early on the next won't happen till a that by the time voting day rolls around everybocy will be tired of the world already es- subject

In fact, if farmers started working on next year's crops as early as politicians do on next year's election, no telling how big the surplus would be.

I sort of like the way President Eisenhower is handling the situation. He doesn't even discuss the matter.

I know there are a lot of people who wish he would say what he plans to do about running again, some Republicans want him to say so they can get in the race if he doesn't, others don't want him to say anything unless he can say yes, and some Democrats want him to stay quiet so it'll confuse the other Republican candidates, other Democrats want him to say something, provided it's no.

Personally, I prefer silence, for this reason. The other day I read an article about a big industrialist who said his plans for expanding his business were being held up until he found out what President Eisenhower is going to do and that's the policy I use out here on my Johnson grass farm.

There are a few preparations I could be making now toward next year's farming activities, but I hesitate to do anything until I find out what the President is gonna do.

This is a sound policy, provided you don't carry it too far. For example, it wouldn't be a good idea to hold up all your efforts until you find out what Congress is gonna do. I tried this once and it was three years before I found out and even then I wasn't sure.

People ought to be content to let the President take six months or so to make up his mind, when it takes Congress years.

Yours faithfully,
J. A.

DELUXE CHAMPION TIRE

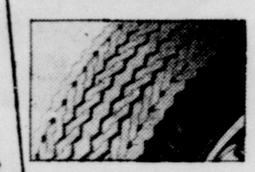
ON YOUR CAR DURING OUR HARVEST SALE

You can get this tire either with a tube or tubeless . . .

Only Firestone Gives You These Great Safety and Maximum Traction Features

BLOWOUT PROTECTION
There's no tube to pinch or explode! Inside this tire there's a Safety-Liner, which slows air loss and reinforces the tire in the event it should be injured . . . instead of a dangerous blowout you get a harmless slow leak.

PUNCTURE PROTECTION
If a nail, or any sharp object should penetrate this tire the Safety-Liner grips it and slows the air loss . . . No sudden flat tires, no need to change flats on the road.



SKID PROTECTION
Newly designed silent tread has 70% more angles and skid-protecting edges. Won't squeal, hum or whine because tread elements overlap to prevent rhythmic vibration.

SAFETY-TENSIONED GUM-DIPPING
Firestone's new cord treating factory combines the famous Firestone Gum-Dipping process with Safety-Tensioning, a new process which takes the stretch out of tire cords, *prevents dangerous tread cracking.* The result is greater blowout protection and longer tire life.

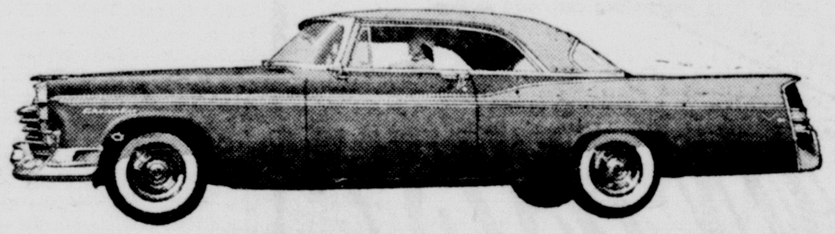
Showing its heels to the pack – the "PowerStyle" Chrysler Windsor Newport hardtop model

The speed of flight has a sleek new look!

The name of that new look is *"PowerStyle."* It's a soaring, flight-sweep look that says power and *means* power . . . and its dynamic lines and colors are as exclusively Chrysler's as its blazing new power features.

Here is the most completely power-operated car on the highway — for the man who wants the option of all the newest power features. With new Pushbutton PowerFlite you just touch a button on the dash . . . that's all. Full-time PowerPilot Steering does 80% of the work. Big PowerSmooth Brakes outlast others 2 to 1. This is a car power-styled, power-steered, power-braked . . . and propelled by the most efficient of all V-8 engines.

And if you want more power . . . see the new "PowerStyle" Windsor V-8 with the optional PowerTrain that delivers 250 hp and 15% faster acceleration. See the great Windsor V-8 *now!*



The Chrysler Windsor Newport shows off its 18 feet of power

November 21st through December 1st your Chrysler Dealer asks you to observe National Safe Driving Day, Thursday December 1st.

Put your money on the winning team!

THEY'RE a good bet, these people so wrapped up in the World Series this month. They're the people you see at work and on the bus every day. They're you.

These are the people you're putting your money on every time you invest in a U. S. Savings Bond—the 165 million Americans who stand behind those Bonds.

They're the reasons why Savings Bonds are the safest investment you can make . . . why *you* should make Savings Bonds the heart of your personal savings program.

If you want to save for the future—and you believe in the people on this team—start investing in interest-earning Savings Bonds regularly. Do it through the convenient Payroll Savings Plan where you work or at your bank.

If you want your interest as current income, ask your banker about 3% Series H Bonds that pay interest semiannually by Treasury check.

SENIORS ALL .... These men plus Jimmy Markham, not pictured, will leave Yoe High School this year through graduation. These young men have "Played their hearts out" this year and even though Belton finished their dreams of a berth in the 1955 Throne Room they are all better equipped to go out next year into larger fields of play and to cover themselves and Yoe High with glories as has many a player who came under the mentorship of coach Leo Jackson and his assistant Dick Young.

3rd Grade News

Monday morning was moving day for the boys and girls in Mrs. Hanes room. The children chose table groups of four at a table.

Mary Beth Nance attended the Baylor-Texas game in Austin on Saturday.

Herman Scheler accompanied his father to Dallas. Dick Ponder visited his grandmother in Georgetown over the weekend.

Roger Thomas went to Shreveport Louisiana and has not returned. He was the only one absent from section 3Y.

The pupils of Mrs. Werner's room enjoyed the bus ride to the parade. It was the first time some of the children had ever ridde a bus.

The pupils have been making decorations for Veteran's Day. In Arithmetic we have been studying how to tell the time, each child has made a "clock" out of a paper plate, each plate has the hands at a different hour.

Francis Thompson and Lynda Terry were sick Fri. We missed them. Lynda Griffin wore a Scottish skirt blouse and cap to class. She got it while she was on a vacation this summer. All the children enjoyed seeing it very much.

The pupils in Mrs. Pensley's room enjoyed the surprise bus trip to see the parade last Friday. Michael Perrin and John Gregory were appointed librarians for the week. The shelves have been kept straight and a record has been kept of all the books that have been checked out.

A special effort has been made this week for everyone to have a perfect score in spelling. The names of the days of the week and some of the special holidays were studied. All pupils made a good grade. Those who had perfect scores were: Roger Diver, Jeff Villar, Judith Hawkes, Glen McCarty, Sandra Malone, Philip Eanes, Zeke Delao, Clifford Thompson, Standley Dehart, Raymond Batla, Richard Moseley, Michael Perrin, Mike Rice and Zelma Lopez.

Mrs. Schuhsler's class: Over the weekend Kenny Blake visited in Hearne, Johnnie Lee Ingram went to Waco. Wayne McLerran visited Hearne. Edwin Caddell went on a fishing trip to the Brazos river. Jean Biskup enjoyed a visit with relatives from Houston and Bellville. Glenn Dodd enjoyed a visit from his grandparents. Cliff Evans has a new jacket to ward off the cool weather.

Miss Jungmann Feted With Shower

Miss Gloria Ann Jungmann bride elect of Bentley Hause of Cameron was honoree for a tea shower Sunday afternoon at Hope Lutheran Educational building in Buckholts.

Mrs. Robert Jungmann welcomed guests. Receiving with the bride elect were her mother, Mrs. Arnold Jungmann, th groom's mother, Mrs. Eugene Hause and the honoree's grandmother, Mrs. Fritz Glaser.

Hostesses were Mrs. Ed Pagel, Mrs. Edwin Fischer, Mrs. Clarence Colburn and Mrs. Robert Jungmann.

The honoree wore a navy pincheck street length dress fashioned with a torso styled bodice and pushup sleeves, complimented by her shoulder corsage of bronze baby mums. Attendents wore waltz length pastel dresses fashioned of net. They wore white carnation corsages.

Mrs. Doris Nell Hornung, sister of the bride-to-be registered the 63 guests. Misses Shirley Jungmann and Martha Jean Hanke were in charge of gifts displayed on tables in the alcove.

The honoree's chosen colors of bronze and gold were used in floral decorations at vantage points of interest throughout the reception rooms. The punch table was laid with an imported cloth of lace and held a center arrangement of bronze and gold chrysanthemums flanked by lighted white tapers held in crystal holders.

Miss Bernice Fischer served punch from the crystal service and Miss Evelyn Glaser offered cake squares frosted white and decorated with bronze color flower buds.

Inscribed on the party napkins were their names "Gloria Ann and Bentley" was the wedding date, November 20.

Out of town guests came from Cameron, Rogers, Taylor and also Bryan.

Miss Holloway Is Complimented With Tea Shower Sunday

Miss Fay Holloway of Cameron bride elect of Daniel Lee Janes was complimented with a miscellaneous tea shower Sunday afternoon at the home of Mrs. Frank Tomasik in Buckholts.

The hostesses, Mrs. Tomasik and Mrs. G. A. Wilhite presented the guests to the honoree and her mother, Mrs. H. M. Holloway and mother of the groom to be Mrs. Henry Janes.

Fall garden flowers were used in decorating the party rooms. The lace covered serving table was centered with an arrangement of full blown roses in shades of pink and white floating in a low crystal epergne, flanked by lighted white candles in matching holders.

Miss Bernice Janes, sister of the groom poured coffee and Miss Virginia Tomasek served the cake squares.

Miss Betty Lee Wilhite registered 22 guests.

SD Day Subject Of Two Proclamations

Dec. 1 has been designated as S-D Day (Safe Driving Day), nationally, by President Eisenhower in an effort to increase public awareness of the possibility of making reductions in traffic accidents.

In support of the program, Gov. Shivers has issued a similar statewide proclamation and has called upon the citizens of Texas to join in a cooperative effort for greater traffic safety both on Dec. 1 and throughout each day of the year.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, joined in the Governor's appeal and emphasized that S-D Day, of itself, "is not an end, but a means to an end."

"If every individual motorist and pedestrian in Texas will drive and walk with strict obedience to the traffic laws on Dec. 1," Garrison said, "we will be assured of a death-free, accident-free period in so far as traffic is concerned.

"And," he added, "if we can do it on this one specific day will have proven that it can be done during the other 364 days ways and streets."

The special emphasis program aimed at marking a 24-hour period without traffic accidents will begin on Nov. 20 and culminate in S-D Day on Dec. 1.

Studebaker Feature Is New Styling; Top Power and Safety

Big new styling, top horsepower in the low-price field, a new series of high-performance 5 passenger sports-type cars, major engineering advances and a record list of safety innovations and improvements are outstanding features in the all-new line of Studebaker passenger cars for 1956.

The new Studebaker models, bidding for recogntiion as "the biggest cars in the low-price market," represent the auto industry's only complete restyling in the volume low-price field for 1956.

Presented by Studebaker also as the highest power in standard volume-produced cars in the low-price field is the new 210-horsepower President Classic four-door sedan.

Public introduction in the showroom of Michalka Motors, 307 S. Travis beginning Nov. 23 will feature sedans and station wagons in the full President V8, Commander V8 and Champion six series. Detailed announcement of the new line of high-powered sports-type cars is scheduled for a later date. The company already has revealed that the Golden Hawk, top car in this line, will have horsepower far above the field and other highly distinctive features.

Markedly bigger in exterior appearance, the new Studebakers have greater room inside, and trunk room has been increased by 20 per cent. The new design is described as a basic advance within auto industry trends at the same time it heightens Studebaker's reputation as postwar Automotive style leader.

Mechanical innovations include an advance automatic transmission—the new Flightomatic; special "safety-fin" brakes that increase brake-drum cooling by 100 per cent to maintain non-fade efficency when heavily used, and a new concept in speed indicators — a color-lighted "safety-eye" speedometer.

Studebaker's new lines include 16 models — 12 in the sedan and station wagon series, and four in the volume-production sports-type group Heading the nine models in the sedan series is the big President Classic four-door V8. The classic model — more than 17 feet long and luxury-styler throughout — is powered by a new Sweepstakes 289-V8 engine with four-barrel carburetion. Also powered by the Sweepstakes 289 V8 engine are two other sedans in the President series and the Pinehurst President station wagon.

Commander sedans and the Parkview Commander station wagon feature the most powerful engine ever offered in the Commander series — the new Sweepstake 259-V8 at 170 horsepower. Power kits, comprised of four-barrel carburetion and dual exhaust, will be available as optional equipment and will increase the 259 V8 horsepower to 185.

Champion sedans and the Pelham Champion station wagon have a newly improved Sweepstakes 185-cubic inch heavy duty economy six engine, with 101 horsepower.

These sharply increased powers combine with Studebaker's high horsepower to weight ratio the most favorable in the industry — to give the new sedans and station wagons outstanding new standards in acceleration, usable power for both city and highway driving, and other vital performance factors.

The new President engine, with 289-cubic inch displacement, develops 292 foot pounds of torque at 2800 RPM, an outstanding torque rating in the low-price field. The new Commander engine, with 259-cubic inch displacement, develops 260 foot pounds of torque at 2800 RPM, also a powerful rating in its price class.

Harold E. Churchill, vice president and manager of the Studebaker division said that in all cars and trucks in the new Studebaker lines, "these performance factors are engineered at peak levels for the power reserve and strength that assure maximum response and safety in the usable highway speed ranges, and long, durable mechanical life."

Despite their bigness and increased power, all the new models are designed to continue the tradition of fuel economy leadership that has made Studebaker a perennial winner in the Mobilgas Economy Run, including the Grand Sweepstakes award in the past two contests.

Guests were Mrs. Billy Fontaine, Mrs. Ira Lee Parker and Mrs. Jack Stidham.

Baptist T.E.L. Class Hears Annual Report

The T.E.L. class of the First Baptist Church met for a regular business meeting at the home of Mrs. Annie Reese, on Thursday Nov. 9.

The first progress report since the new fiscal year beginning on October 1 was given by the secretary, Mrs. Clark. The report revealed, among other projects, the consistent monthly aid in groceries given to an "adopted" mother and son in Cameron. Two quilts were quilted by members of the class last year and one was sent to a Louisiana "Lonesome Men's Refuge" and the other to the Baptist home in Round Rock. Numerous trays of food were given to the needy, the sick and those otherwise shutit.

There are 22 members in the class and through the past year the class enjoyed an average attendnce of 13. They gave, in offerings, a total of $779.64 for a grade of 58 percent.

Ten questions on the Boys of the Bible were put to the attendants by Mrs. I. N. West.

A social hour followed with a salad plate and hot chocolate. 12 ladies were present.

4-H'ers Win Trips To Chicago Congress

Marion Dean John T. Caldwell J. Pat Shepard Ada Meissner

ALL-EXPENSE trips to the 34th National 4-H Club Congress in Chicago, Nov. 27-Dec. 1, have gone to four Texas club members who distinguished themselves in the 1955 National 4-H Canning, Dress Revue, Electric, and Tractor award programs.

Marion Dean of Denton, has won the state 4-H Dress Revue award, and will attend the National 4-H Club Congress as the guest of Simplicity Pattern Co., Inc. Miss Dean, 16, has been enrolled in the 4-H Clothing program five years, and this year made the ensemble which won her top honor in the state.

It is a smartly tailored, wool dress in a rich golden brown shade. An off the face hat of the same fabric gives her costume an air of originality. Completing costume are accessories in brown suede for shoes and bag, and mushroom cloth gloves.

She has completed 61 garments since 1951 and has realized a savings of $318. She is a member and junior leader of the Blue Mound Community 4-H Club, led by her mother, Mrs. M. L. Dean, and Mrs. J. B. Haisler.

• • • •

John T. Caldwell, 18, of La Feria, is the 1955 State 4-H Electric winner, and will represent Texas at the National 4-H Club Congress. His trip is provided by the Westinghouse Educational Foundation.

Johnny utilized electricity during the six years he has enrolled in the project, and learned new uses for electrical energy.

He gave 86 demonstrations and made 22 repairs, 12 adjustments and eight installations on farm and home electrical equipment. His demonstrations were seen by more than 9,000 people, and three demonstrations on television have reached an estimated 375,000 people.

He prepared 35 electric exhibits, gave 22 talks and led many discussions.

Johnny was secretary, reporter, treasurer and delegate of his 4-H Club which is led by Carl Geitler.

• • • •

The State 4-H Tractor program winner is J. Pat Shepard of Hale Center, who has been a 4-H Club member for seven years. His trip to Chicago is provided by Stanolind Oil Foundation, Inc., Tulsa, Okla. Through this program, which emphasizes care — not repair, he has kept tractor repairs to a minimum.

He has studied all phases of tractor maintenance and has learned that the cost on fuel and operation can be minimized through scheduled inspection and servicing. He knows the importance of lubrication and cleaning. He has repeatedly won awards for his exhibits.

He is a member of the County-Wide Senior 4-H Club of Hale county led by Elma Ellis.

• • • •

Ada Meissner, 17, of Midland, has won state honors in the 4-H Canning program for 1955. During her eight years in club work she canned 4,459 quarts of fruits, vegetables, pickles, jam and jellies. Her all-expense trip to the National 4-H Club Congress was provided by the Kerr Glass Mfg. Corp.

Knowing the advantages of canning home grown fruits and vegetables led Ada to growing all the food she canned. She has learned to recognize the best varieties to plant and the vegetables best suited for solids and juices. She has won many awards on her exhibits in gardening and canning. Other projects she has carried are clothing, poultry, and food preparation.

She is a member of the Sunshine Makers 4-H Club led by Mr. and Mrs. Gustav Meissner.

All these programs are conducted under the direction of the Cooperative Extension Service.
